

Social Action Film & Discussion Series

Have you ever wanted your thought process challenged by a movie? Have we got the film and discussion series for you! Join us during the months of August and September at 7 P.M. to watch informative and thought provoking movies from the *America Divided* series produced by Tugg EDU. The first three films will be screened at the Jewish Cultural Center (5461 N. Terrence Rd). The remaining five films will be screened at the Unitarian Universalist Church (3224 Navajo Drive).
